Trustee Moyer says Jim Lang asked about putting a beacon on the top of the mower tractor. There are only flashers on the fenders.

Regarding the possibility of the Engineer office doing a culvert inspection class, the Board does not think that it is necessary for us to attend a class.

Trustee Moyer asks the Board about getting a water softener. Chief Bishop reports that he could save money on soap for the washer. Trustee Distel says he has gotten them from Mohawk Supply in the past. Trustee Moyer will look into it.
