The fire department's boat was capsized on a river rescue on Sunday June 10<sup>th</sup>. It is in the process of being recovered. The three firefighters onboard were not hurt. Trustee Distel asked if we should consider getting an inflatable, but Chief Bishop says this boat is the best type for our river.

Chief Bishop also says that Northwestern Ohio Volunteer Firemen's Association Convention is this weekend in Gibsonburg. He would like to take the truck for the parade on Saturday. He also reports that Tanner Houck turned in his gear and will get us a check for reimbursement of his training. Class did not work out for him. Zoning Inspector Frank Laney reports that he issued one permit since the last meeting.
